CALIFORNIA INFRASTRUCTURE AND ECONOMIC DEVELOPMENT BANK

REQUEST FOR QUALIFICATIONS

FOR

SPECIAL COUNSEL

Dated: July 14, 2009

I. INTRODUCTION

The California Infrastructure and Economic Development Bank (I-Bank) is requesting statements of qualifications from Firms (as defined herein) interested in serving as special counsel to the I-Bank. The I-Bank intends to enter into three-year agreements with two or more selected Firms as described in this Request for Qualifications (RFQ). The I-Bank reserves the right to extend the term of any contract entered into as a result of a selection made pursuant to this RFQ for up to two additional years, subject to the satisfactory negotiation of terms acceptable to both the I-Bank and the contracting Firm, including compensation. The scope of services the I-Bank wishes to contract for and the information to be submitted in response to this RFQ are set forth herein.

As used in this RFQ, the term “Firm” means either (a) a corporation, limited liability corporation, partnership or limited liability partnership or other legal entity operating as a law firm or (b) a team of such legal entities or individual lawyers submitting a joint response to this RFQ and willing to jointly enter into a contract with the I-Bank.

II. SCOPE OF WORK TO BE PERFORMED

The I-Bank is seeking to contract with two or more Firms to act as special counsel for the I-Bank. The selected Firms will be paid on an hourly basis to provide one or more of the following legal services, upon the request of the I-Bank’s Contract Manager:

- Advice related to structuring and securing governmental bond financings and governmental bond-financed programs, including advice on state public finance law and federal securities and tax law issues that arise in relation to the I-Bank’s current governmental financing programs, which are the Infrastructure State Revolving Fund (ISRF) Program, the Public Agency Revenue Bond Program and the State School Fund Apportionment Lease Revenue Bond Program (see Section V. - DESCRIPTION OF THE I-BANK PROGRAMS for information about these programs), and in relation to new governmental bond-financed programs considered or undertaken by the I-Bank.
- Advice related to structuring and securing private activity conduit revenue bond transactions considered or undertaken by the I-Bank under its Industrial Development Revenue Bond Program, Exempt Facility Revenue Bond Program and 501(c)(3) Revenue Bond Program (see Section V. – DESCRIPTION OF THE I-BANK PROGRAMS for information about these programs).

- Advice related to the I-Bank's duties or proposed duties as the agent for the State of California in relation to the sale and securitization of State of California assets, such as the sale of tobacco assets to the Golden State Tobacco Securitization Corporation.
- Advice to and representation of the I-Bank in the event of an Internal Revenue Service compliance check of I-Bank programs or practices, or review or audit of bonds issued by the I-Bank.
- Other advice or legal work related to a varied and wide spectrum of taxable and tax-exempt bonds and financings conducted by the I-Bank.

Advice requests may be in the form of requests to answer specific legal questions, to review and comment upon financing-related agreements, or to negotiate and draft financing-related agreements.

III. SELECTION OF TWO OR MORE FIRMS

It is expected that two or more Firms will be selected as special counsel based on the process established in this RFQ.

Any Firm that enters into a contract with the I-Bank may be requested, from time to time, to provide services pursuant to the terms of the contract when the Contract Manager (as identified herein) determines that the Firm is best suited to provide the services being requested. The Contract Manager will make that determination based on a combination of all of the following:

- The availability of the Firm to provide the requested services, which determination will take into account any client conflicts of interest the Firm may have;
- The suitability of the Firm to provide the requested services, which determination will take into account the Firm's experience either with the I-Bank program for which services are being sought or similar programs; and
- The hourly rate charged by each Firm.

Currently, the I-Bank contracts with Stradling Yocca Carlson & Rauth, Orrick, Herrington and Sutcliffe, LLP, and Hawkins Delafield & Wood, LLP to provide legal services similar to the services sought pursuant to this RFQ. These contracts expire in September of this year. The I-Bank reserves the right to select one or more of the Firms currently under contract pursuant to this RFQ. However, it is the policy of the I-Bank to periodically review all services contracts in order to confirm that services are provided to the I-Bank in a combination of the most efficient and cost-effective manner. Because of the wide variety of financings undertaken by the I-Bank, the selected Firms will be those with the broadest demonstrated expertise within all areas of tax-exempt and taxable governmental bond financing (with the exception of housing).

V. DESCRIPTION OF THE I-BANK PROGRAMS

- A. **I-Bank Background.** The I-Bank was created in 1994 by the Bergeson-Peace Infrastructure and Economic Development Bank Act (Act) to provide the State of California (State) with an entity that has broad powers to finance a wide array of public development facilities and economic development facilities. The Act, as amended from time to time, provides the I-Bank with authority to, among other things, issue revenue bonds, make loans, provide credit enhancements, acquire and lease property and leverage State and Federal funds.

The I-Bank is governed by a five-member board of directors (Board) that consists of the Secretary of the Business, Transportation and Housing Agency, who serves as the chair, the State Treasurer, the Director of the State Department of Finance, the Secretary of the State and Consumer Services Agency, and an appointee of the Governor.

The I-Bank's primary programs currently include:

- *Infrastructure State Revolving Fund (ISRF) Program* (provides low-cost financing to local agencies for public infrastructure projects);
- *Industrial Development Revenue Bond Program (IDB Program)* (provides tax-exempt revenue bond financing for eligible small- to mid-size manufacturing companies);
- *Exempt Facility Revenue Bond Program* (provides tax-exempt revenue bond financing for certain IRS-approved activities);
- *501(c)(3) Revenue Bond Program* (provides tax-exempt revenue bond financing for certain nonprofit public benefit corporations);
- *State School Fund Apportionment Lease Revenue Bond Program* (provides tax-exempt revenue bond financing for school districts needing emergency apportionment loans as authorized by the State);
- *Public Agency Revenue Bond Program* (provides tax-exempt revenue bond financing for governmental entities, including the I-Bank for the purpose of funding its ISRF Program); and,
- *Other Tax-Exempt Revenue Bonds* (this category captures I-Bank bonds that do not meet the criteria of any of the five revenue bond programs listed above).

The IDB Program, the Exempt Facility Revenue Bond Program, the 501(c)(3) Revenue Bond Program, the State School Fund Apportionment Lease Revenue Bond Program, the Public Agency Revenue Bond Program and Other Tax-Exempt Revenue Bonds are collectively referred to as the Bond Financing Programs.

- B. **Infrastructure State Revolving Fund (ISRF) Program.** The ISRF Program is a statewide program that provides low-cost, long-term loans¹ up to \$10 million per project for sixteen statutorily designated categories of public infrastructure. ISRF Program eligible applicants include local government entities such as cities, counties, redevelopment agencies, special districts, assessment districts and joint powers authorities.

The ISRF Program was originally funded from State General Fund appropriations of \$50 million in the 1998/1999 State Budget and \$425 million in the 1999/2000 State Budget. Of this amount, \$293 million was redirected back to the General Fund in the 2001/2002 and 2002/2003 State Budgets to assist the State in addressing its budget deficit, leaving a net of \$182 million plus interest earnings for the program. While the appropriated funds have been committed to ISRF Program borrowers, additional ISRF Program financing has been made available because of an innovative “leveraged loan program” structure which involves the issuance of tax-exempt revenue bonds secured by the repayments from previously-approved loans. To date, the I-Bank has issued three series of tax-exempt revenue bonds totaling \$152 million to provide additional funding for the ISRF Program (ISRF Program Bonds)². The ISRF Program Bonds are unenhanced and rated “AA+,” “Aa2,” and “AA+” by Fitch Ratings, Moody’s Investors Service and Standard & Poor’s, respectively. To date, the I-Bank Board has approved 92 outstanding ISRF Program loans totaling approximately \$401 million.

¹ The term “Loans” is generically used to mean loans, leases/leaseback agreements and installment sale agreements.

² \$51,370,000 of ISRF Program Bonds, Series 2004 issued on March 18, 2004; \$52,800,000 of ISRF Program Bonds, Series 2005 issued on December 14, 2005; and, \$48,375,000 of ISRF Program Bonds, Series 2008 issued on September 24, 2008.

The ISRF Program Bonds are primarily secured by a pool of existing loans pledged to each series under a Series Indenture. The ISRF Program Bonds are further secured by collateral under a Master Indenture consisting of excess coverage from all outstanding parity series and any payments from remaining loans pledged to the Master Indenture. The I-Bank anticipates that it will issue additional series of ISRF Program Bonds within the next 12-18 months.

- C. **Bond Financing Programs.** Pursuant to its Bond Financing Programs, the I-Bank serves as an issuer of tax-exempt and taxable revenue bonds, the proceeds of which are loaned to and repaid by participating parties for the purpose of financing economic development facilities within California. Excluding the ISRF Program Bonds, which have been issued to leverage the ISRF Program, the I-Bank and the California Economic Development Financing Authority, a predecessor to the I-Bank³, have since 1995 served as the issuers for over \$5.1 billion of conduit revenue bonds under the Bond Financing Programs.

VI. CONTRACT TERM, CONTRACT SCOPE AND RFQ TIMELINE

- A. **Contract Term.** The I-Bank intends to select two or more Firms and to enter into an agreement for a term of three years with each of the selected Firms to serve as the I-Bank's special counsel providing services as described in this RFQ.
